

Football for All

Bringing Football Closer to Everyone

The JFA Declaration on Grassroots Football

Regardless of age, gender, disability or race,
football is for anyone, any time and any place.

Japan Football Association wish to share and enhance
the beauty of football and sports with more and more people.

We'll invite everyone to feel the joy of football!

by creating variety of fantastic opportunities to meet football

We'll make football more accessible to everyone!

by offering more and more options matching your needs and wants

We'll make sure everyone will find real happiness in playing football!

by ensuring safe and secure environment to enjoy football

Purpose of The JFA Declaration on Grassroots Football

As the governing body of the football family in the country, Japan Football Association recognise and enrich the value of football and sports, and promote the excellence to wider range of people, in our responsibility to the society. The JFA Declaration on Grassroots Football, based on the ideal and the vision of the "JFA Declaration, 2005", expresses our commitment to the provision and enhancement of the familiar environment where anyone can enjoy football. With this Declaration, we aim to develop richer sports culture by supporting all people approaching football to assist football and sports take up a part of their lives over the lifetime.

Concept

1. Under the concept of "Football for All- Bringing Football Closer to Everyone," we reconsider the grassroots football in the new light.
2. Implementing the following efforts, we commit to the development in a comprehensive manner.
 - Retain and grow participation
 - Develop safe and secure environment both in infrastructure and human resource
 - Build, protect and enhance sustainable football facilities to improve the experience of the game
 - Raise the standards of training environment as the base of player development
 - Create adequate competitions and events and operate them effectively
 - Develop skilled workforce both in volunteers and experts
 - Enhance the clubs in communities and nurture club culture
 - Network overall football family for enhancing support
 - Consider CSR through football
 - Continued research and monitoring, information sharing and education

Target Group

In addition to the current efforts, we will further enhance the activities in the various growing areas as below:

- Kids
- Veterans
- Women
- Disability
- Schools
- Clubs
- Community
- Family
- Futsal
- Beach Soccer
- Recreation
- Others
